Additional Notes³:

Note 1 – Financial Reporting Framework

(a) Basis of accounting:

The Schedule of Payments by Payee and the Schedule of Payments by Project (collectively “the Schedules”) prepared by PETRONAS Energy Canada Ltd. (the “Company”) for the year ended December 31, 2025 has been prepared in accordance with the financial reporting provisions in Section 9 of the Extractive Sector Transparency Measures Act, Section 2.4 of the Extractive Sector Transparency Measures Act – Technical Reporting Specifications and Section 3 of the Extractive Sector Transparency Measures Act – Guidance (collectively the “financial reporting framework”).

The Schedules are prepared to provide information to the Directors of PETRONAS Energy Canada Ltd. and the Minister of Natural Resources Canada to assist in meeting the requirements of the Extractive Sector Transparency Measures Act. As a result, the schedules may not be suitable for another purpose.

(b) Significant accounting policies:

i) Cash basis

The Schedules have been prepared on a cash basis of accounting, as required by the financial reporting framework, and exclude any accruals related to payments due to governments (as defined in the financial reporting framework). All amounts are presented in Canadian dollars.

The Schedules include all cash payments made, without inclusion of cash inflows from a government. Where the Company makes a payment to a government that is net of credits from that government, the net payment amount has been presented.

ii) Projects

The Company has aligned its projects with its cash generating units as determined for financial statement reporting purposes.

- North Montney Joint Venture – focused on development of Montney natural gas in North East British Columbia (“NEBC”).

iii) Operator

The Company has reported all payments made by it, on its own behalf and in its role as operator, directly to the government on a ‘gross’ basis. Amounts paid by third party operators, who are subject to the financial reporting framework, have not been included in the Schedules.

iv) Excluded payments

Certain payments related to the operation of the Company’s head office, payments made to governments for commercial services or payments made to governments which are not related to the commercial extraction of oil and natural gas resources have been excluded from the Schedules, as described in the financial reporting framework.
